Kannenfeldstrasse 12

We could describe how well our frame-TV would keep you entertained on rainy days, how thoughtful our stylish furniture is, or how practical the large built-in wardrobes are... But let's be honest: all that matters is that you feel comfortable in your Serviced Apartment in Basel. That's why we've designed our Apartments the way we would design our own home: they're comfortable, practical and flexible, so you don't have to trade off.
